ORLANDO -- Orange County deputies charged a man with animal cruelty after a video of him shooting two dogs appeared on YouTube.

The case gained national attention when the video was posted in May.

In the video, Christopher Comins is seen shooting the Siberian huskies in a pasture near Lake Nona.

Several people witnessed the shooting, which Comins said was justified, because the dogs were chasing cattle on his property.

Both dogs, Raley, and Hoochie, survived, though Hoochie lost an eye.
